## WHAT IS THIS BOOKLET?

What it is not, and was never intended to be, is a guaranteed absolutely-accurate, up-to-the-minute catalogue of all the books currently in the Field Club Library, which some Members may not ever have visited (or even realise exists). It is, however, an attempt to provide all Members with an outline alphabetical list of titles (most with, but a few without, their authors) divided into topic-sections, to be used as a guide to what the Library contains. The sole intention in producing this Booklet is to create an advertisement for the Library and so encourage Members to make greater use of this important Club facility.

The original list was prepared after a stocktaking exercise by the then Librarian Margaret Blott, together with Margaret Davies and Queenie Ball, and it was initially “computerised” by Audrey Harper. This Booklet is a re-working of that list, and retains their categorisation but with the introduction of a few sub-divisions. Of course, a number of books could well be placed in more than one category, but in order to keep the Booklet pages to a minimum it was necessary for each book to be allocated only to its most obvious category.

A detailed check of the list has been made against the books that were actually in the Library at the time, but if you notice any errors – then well done! Please don't keep this information to yourself. If you let the Librarian, or any other Committee member, know then we can all benefit from your astute observations.

## WHEN I KNOW WHAT BOOK I WANT HOW DO I GET IT?

The Field Club Library is housed in purpose-built cupboards in the Henry Gordon Room within the Horeb Chapel/Dyserth United Reformed Church. This is the church to which the Paterson Hall is attached; the Paterson Hall being the venue for most of the indoor events within the Field Club winter programme. Before and after every event held there, the library will be open for you to borrow and return books, or simply spend some time browsing through the stock.

Should you wish to access the Library at any other time then please telephone Mrs Pippa Barnsley, one of the current Field Club Assistant Librarians. She will be pleased to discuss matters with you.

THE NUMBER TO CALL IS 01745 571349
